**Community Relations Division
70 Pine Street**

Day of Action to Stock the Pantry is United Way of Greater Waterbury's annual food drive to ensure no one goes hungry during the summer. MacDermid Inc. Chief Operating Officer Frank Monteiro and his wife Sandy have teamed up with Waterbury Police and Fire Departments for a bit of friendly competition. Police and Fire will be competing against each other to collect the most food donations. **We Need Your Help!**

The public can drop off food donations at the Waterbury Police Department, PAL and the Community Relations Division until June 20, 2017.

Help us do our part to restock local food pantries which are in need of replenishing for the summer months. Thank you!
